

Extra Order & Product Fees

We are so glad to have your interest! This guide is here to provide some specific information to help you install the extension.

Command line installation

1. Download the Extra Order & Product Fees installation package
2. Copy and paste a folder to the root directory of the project
3. Connect via SSH console to your Magento server, navigate to the Magento root directory and run the following commands:

```
php bin/magento module:enable Magediary_ExtraFees
```

```
php bin/magento setup:upgrade
```

```
php bin/magento cache:flush
```

```
php bin/magento setup:static-content:deploy
```

4. Log out from the Magento admin and log in again
5. Extra Order & Product Fees extension is now installed and ready for work
