## WHY you need this extension?

Coupon Codes Assistant for **Magento 2** is a great addition to offer customers discounts and promotions in an organized way. It will help the customer to choose discount coupons directly from a list, that can be selected either on the cart page as well on the checkout page.

This is useful to manage sell profit and product sales boost by providing customers range of different coupons to choose from the list. Also, this will help customers to get information about promotions and offers that the seller is providing without hassle to remember coupon codes.

This extension implements a wide variety of coupon management functions like set order of coupons.

This extension also saves customers time by providing a coupon list on the same product page so that customers can find it easy to select instead of looking for offer pages somewhere else.

# HOW it works?

## Backend Configuration

### General

Sign in to Magento Admin panel and navigate to **Store** → **Configuration** → **Magediary** → **Coupon Codes Assistant** → **General** → **Enabled**. Here select **Yes** to enable the coupon codes assistant and save the configuration.

**Sort Order** field allows managing the sort order of coupons, which will be set for the frontend coupons list.

Possible options are:

- Ascending
- Descending

**Coupons Limit** field allows set coupon codes limitation to show on the frontend.

## Frontend

### Cart Page

On the cart page, it will list out all applicable coupons under the **Apply Discount Code** section.

The screenshot displays a shopping cart interface. At the top left, there is a product image of a water bottle and a "Move to Wishlist" link. To the right of the product image are edit and delete icons. Below the product image is a "Update Shopping Cart" button. The main section is titled "Apply Discount Code" and contains a text input field with "H20" and a "Cancel Coupon" button. Below this is a section titled "Best coupon for you" which lists three coupon options: "DISC10" (10% discount on all items), "DISC20" (20% discount on all bags), and "H20" (\$4 Luma water bottle, save 70%). The "H20" coupon is selected. To the right of the coupon section is a "Proceed to Checkout" button. Below the coupon section is a table showing the order total: Subtotal (\$119.00), Discount (H20) (-\$37.80), Shipping (Flat Rate - Fixed) (\$15.00), and Order Total (\$96.20). At the bottom of the page, there is a footer with links for "About us", "Customer Service", "Privacy and Cookie Policy", "Search Terms", "Advanced Search", and "Contact Us". There is also a subscription form with an email input field and a "Subscribe" button.
